PROFESSIONAL SUMMARY

Dynamic, results-oriented Delivery Manager with 6+ years leading high-stakes operations and client servicing across global accounts. Proven record managing large-scale, government-affiliated projects and a portfolio of 5+ international clients. MSc in Computer Science, combining strong analytical ability with hands-on delivery leadership and Lean-driven process optimization.

PROFESSIONAL EXPERIENCE

- Delivery Manager** | Genpact Mar 2022 – Present
- Manage end-to-end operational delivery for 5+ global clients simultaneously, maintaining consistent SLA and quality performance.
 - Progressed internally through Senior Associate (DM Team, UDB migration for 7+ clients), Business Analyst (PepsiCo, 7+ categories), to current Data Analyst role in ISS R&D.
 - Drive process efficiency using MDM, Pangea, and UDB frameworks; completed Lean Certification to reduce operational waste.
 - Own weekly/monthly QC and QCH reporting across STG and FSTG models, and resolve client escalations to protect account health.

- Customer Relationship Officer** | Expert Caller Pvt Ltd (ECPL) May 2021 – Mar 2022
- Managed end-to-end client relationships, consistently ensuring high satisfaction and retention.
 - Recognized as “Best Employee of the Year” for outstanding service delivery.

- Team Leader** | Fairdinkum Business Service Pvt Ltd Nov 2019 – Apr 2021
- Promoted to Team Leader for the VEU project, delivered on behalf of the Australian Government.
 - Supervised a team of Outbound Calling Agents, consistently meeting and exceeding performance KPIs.
